- On-site AV equipment & business center with wi-fi access
- Individually appointed soundproof rooms with great acoustics

"As one of the first corporate clients of Meridian Banquets in February of 2002, I knew from the beginning that this was going to be a wonderful partnership. The expert preparatory assistance is easily matched by the superb service receive at the time of our events. Having conducted multiple events at this magnificent facility, as well as personal events, I have always been awed and inspired that every detail is managed so seamlessly.

Patricia L. Murga, Proposal Coordinator, FiserV CBS USA.
